

REGISTRATION INFORMATION

The SOBHD implemented the use of Temporary Registration Cards for Pre-Premier Dancers moving into the next category. The SOBHD decided that dancers worldwide could benefit from the use of this Temporary Card. Dancers competing at a competition and completing their category could compete within the next 14 days by using their Temporary Card. In the past they would not have been able to compete during this timeframe without their card if it had been sent to the Registrar for the upgrade.

Organizers, please print these cards out for use at your Highland Dancing event. Those dancers who plan to compete within 14 days after completing their Pre-Premier category must use the Temporary Card.

TEMPORARY CARDS

Primary dancers should present their Primary card to the Competition Organizer who will issue the top section of the Temporary Card form after competing in the last competition for which the Primary card is valid.

Beginner dancers who complete their category at a competition should present their completed Beginner card to the Competition Organizer, who will issue the top section of the Temporary Card form.

Novice dancers who complete their category at a competition should present their completed Novice card to the Competition Organizer, who will issue the top section of the Temporary Card form.

Intermediate dancers who complete their category at a competition should present their completed Intermediate card to the Competition Organizer, who will issue the top section of the Temporary Card form.

A Dancer may use the Temporary Card for 14 days from the date of issue and must return the top portion of the Temporary Card along with their original dance card and appropriate registration form and photograph to the Regional Registrar.

Any stamp gained during the 14 days must be registered in one of the boxes on the Temporary Card.

Competition Organizers should keep a record of all temporary cards that are issued – the bottom section of the Temporary Card form - and send this bottom section of the form to the National Registrar within 14 days from the day it was issued.

If you have any questions, please contact your Regional Registrar, National Registrar, Diane Krugh (LadyDi5711@aol.com) or the National Competition Organizer Liaison, Fred DeMarse (FredDeMarse@chevron.com) for further clarification.

Temporary Card forms are available for download on the FUSTA website (www.FUSTA.us).
